PARI-MUTUEL IDEA SPREADS

INDIANA THE LATEST STATE IN WHICH LEGISLATION TO THAT END IS SOUGHT.

Influential Officials Declare in Favor of Bill Designed to Have Racing Governed By a State Commission as in Kentucky.

The pari-mutuel idea in connection with American racing appears to be spreading like wild-fire. Following closely upon the announcements of the past few days concerning movements having for their object the legalization of the pari-mutuels in the States of Tennessee and Minnesota, and the adoption of the mutuels for Maryland racing, comes a report from Indiana that the final steps have been taken looking to similar legislative action there.

According to announcement, the Indiana County Fair Managers' Association wants the pari-mutuel betting system legalized at Indiana county fair meetings next fall, and are behind a bill introduced in the Indiana Legislature providing for a state racing commission to place the management and control of racetracks on the same basis as at Lexington, Louisville, Latonia and other tracks. Charles Downing, secretary of the Indiana State Board of Agriculture, has come out in favor of the bill, as have other influential state officials.

FAVORABLE CONDITIONS AT CHARLESTON.

Management Confident That Palmetto Park Meeting Will Not Be Interfered With.

Charleston, S. C., January 9.—While other parts of the country have been swept by cold waves and snow storms of late, Charleston has been enjoying summer-like weather. In fact the oldest inhabitant can scarcely remember such a warm spell at this time of the year. Summer clothing has been in demand among the turfmen quartered here in anticipation of the opening of the second winter meeting of the Charleston Fair and Racing Association at Palmetto Park January 25. The horsemen who came here to spend the winter have been in favor of the sport and the opening of the Palmetto Park meeting can have no regrets, for they have had the opportunity of enjoying themselves to the utmost under ideal conditions during the entire period of their sojourn here.

The favorable conditions that have prevailed will result in the horses that have been quartered at Palmetto Park being right on racing edge for the opening of the meeting. Nobody here has any misgivings as to the meeting being conducted according to schedule. If there is any opposition to the proposed meeting, it is not apparent here in Charleston. On the contrary, the talk here is entirely in favor of the sport and it is the general idea that no obstacles will be encountered.

The officials of the Charleston Fair and Racing Association are supremely confident that the meeting will proceed without the slightest trouble or interference whatever. They believe, from the interest that has been aroused as evidenced by inquiries as to accommodations to be obtained in Charleston and various details in connection with the meeting that the racing will be grandly successful.

Every train from the north is bringing its quota of racegoers and the meeting gives promise of being much more successful than its predecessor of last winter. The hotels and rooming houses are gradually filling up with the devotees of the sport, who are warmly welcomed by the townspeople. The latter retain pleasant memories of the prosperity that attended last winter's gathering of racing folk here and are making greater preparations for the entertainment of the visitors this season.

There is much training activity at Palmetto Park every day now. Some 430 horses are already quartered there and it is expected that by opening day the number will have been swelled to 500. The finishing touches are now being given to the rejuvenation of the plant for the approaching opening. The most striking improvements are the widening of the track itself at a point where it was found to be somewhat narrow last season, and the erection of a new double-decked judges' stand patterned after that at Churchill Downs.

After being one week on the road, fifteen two-year-olds belonging to Messrs. Lawrence & Comstock of the Oakwood Stock Farm of Lincoln, Cal., arrived here today. Twelve are by Salvation, a young sire out of Chimera and by the mighty Salvator, holder of the American record for the fastest mile over run, the time being 1:35. Salvation is the sire of Chumy, Jim Boney, and other good winners. There are also two by Rapid Water, and one by Tim Payne. Salom, a chestnut gelding by Salvation—Alondra, is the picture of his sire and is evidently the pick of the lot. He is entered for the Juvenile and Pine Forest Inn Stakes. Salvation Rey, by Salvation—La Hinds, favors his dam, which was bred by the late E. J. Baldwin. This colt is also entered in the Juvenile and Pine Forest Inn Stakes. Preserver, a chestnut gelding by Salvation—Arcadia, is a grand looker and is entered for the Juvenile Stakes. Roy El Oakwood is a big upstanding bay colt by Salvation—LaCreita. He is entered for the Georgetown Stakes. Lady Independence and Daily Waters are two fillies that are entered for the Debutante Stakes. The latter is the first of the get of Rapid Water, which is by Rappalo—Water Girl. Rapid Water won many stakes in the colors of S. C. Hildreth. H. D. Comstock accompanied these horses from California and will remain for the entire meeting at Palmetto Park. Messrs. Comstock and Lawrence are Californians who are engaged in the hotel business and own a famous summer resort on Lake Tahoe in the Sierra Nevada mountains.

The Lawrence & Comstock two-year-olds came from California in charge of A. G. Blackley. There are now 102 two-year-olds at Palmetto Park. Seventeen racers owned by Mrs. L. A. Livingston are due to reach here tomorrow. It is expected that Sotemia, winner of the Kentucky Endurance Stakes, will be in the consignment.

Most of the turfmen here are whiling away their time in fishing and surf bathing at the Isle of Palms, a nearby ocean beach resort.

Additional arrivals of turfmen today were numerous.

White Heather, the three-year-old owned by C. W. Moore, which came here with the C. T. Patterson stable, has succumbed to pneumonia.

W. T. Woodward's string of racers are expected from Lexington, Ky., at once. The horses of J. R. Wainwright, including High Private, will be shipped here from Latonia on Saturday next. Trainer Fred Lazader, who has the horses in charge, is recovering rapidly from his recent severe illness and after a brief sojourn at West Baden will come here.

Advisers from Louisville are that C. F. Buschmeyer will ship his great gelding Hawthorn here to start in the Palmetto Derby.

The books containing the nominations for the nineteen stakes to be run during the fifty-five days of Palmetto Park racing were distributed to owners yesterday.

J. W. Pangle, Fred Foster, Matt Foster, and

J. W. HEDRICK'S BAND OF PLATERS

Nineteen horses raced in the colors of J. W. Hedrick last year, but were not all in his stable at one time. He was quite active in selling race "wars" and frequently acquired horses that did not abide with him long, passing into the possession of others through claiming and being bid up in selling races. He had nothing of any great racing value in his string, but his stable winnings of \$10,325 represented quite a substantial improvement over his total of \$3,340 in 1911. Here is what his horses achieved in the course of the year just past:

SUREGET WILLIAM GERST'S BEST LAST YEAR

The Tennessee turfman, William Gerst, did somewhat better in the matter of stable winnings in 1912 than he did the year before, an improvement brought about mainly by his dependable sprinter, Sureget, and his erratic Kentucky Derby winner, Donau. Sureget won ten races and in twenty-nine starts was only unplaced eight times. Donau started in one race and but for his unruly temper could have won as many as ten. Working Lad, like which he was placed in twenty-one races. Working Lad raced well for the stable, but was unlucky, as any horse must be which finishes second in eleven races and only wins two. The stable was deficient in two-year-olds capable of winning and its 1912 showing was:

1912 WINNINGS OF A RETIRED ARMY OFFICER

In 1911 the horses owned and raced by Capt. P. M. Walker won a total of \$20,795, which sufficed to give him tenth place in the list of winning owners. He was not so fortunate in 1912 and wound up the year with a total of stable winnings of less than half the sum won the year before. To this total the Sanford-bred filly, Isidora, was his chief contributor and a fleet creature she is when at her best, which was not always the case in 1912. The geldings Oakhurst and Aspirin, and the colt, Bard of Hope, each won in excess of \$1,000. Captain Walker is a model turfman and it is to be hoped that a greater measure of success will attend his participation in the racing of 1913. The record of his stable last year was:

Horse.	Color and Sex.	A.	Pedigree.	1st.	2d.	3d.	Amt. Won.

KOHLER STALLIONS FOR PUBLIC SERVICE.

New York, January 9.—Charles Kohler has made public three of the stallions he has at his Ramapo Stock Farm, near Ramsey, N. J., and the moderate fees that he is asking renders makes the announcement of importance. New Jersey was in former years the home of many a notable horse, and Mr. Kohler proposes to revive much of the thoroughbred glory of the state. With the Brookdale Farm of Harry Payne Whitney within the borders of the state, the Kohler farm and some others of lesser importance, the thoroughbred will be fostered in the north in a way that is likely to have beneficial results. The stallions that are offered for public

service are Superman, Charles Edward, and Master Robert. All three of them raced such a short time ago as to need little introduction to those who have followed the sport.

Superman's fee will be \$200 and the others will stand at \$75.

NOTES OF THE TURF.

Bill Finn, a three-year-old belonging to R. J. Austin, has been gelded at Juarez.

Judge C. F. Price has recovered from the indisposition that recently kept him away from his duties at the Juarez track.

Frank McCabe, who formerly trained for the Dwyers, is now associated with Enoch Wishard in France and doing exceedingly well.

At Nice, France, on Sunday last, Baron de Rothschild's Mary II, won the Prix de Monte Carlo of \$10,000, beating Novelty in the last strides.

The demolition of the old clubhouse and hotel at the Woodbine track of the Ontario Jockey Club is now under way. The stables along Queen street are also to be removed.

The blizzard which interrupted Juarez racing had no ill effect on any of the nearly 800 horses quartered at the Juarez course, as the stables are constructed so as to meet such an emergency.

Matt Allen has two likely two-year-olds in the care of Joe Williams at the Gravesend track. One of these colts is by Singleton—Flower, and the other is a son of Accountant and Useful Lady. They will race at Pimlico in the spring.

American owned horses scored in the jumping races at Nice, in France, Tuesday. In the Prix de Prince de Monaco, Charles Kohler's Va Tout finished first, ahead of ten other horses. Jockey F. Williams rode. Five francs on the American winner yielded thirteen in the mutuels. Muscadin, owned by another American, James Hennessy, captured premier honors in the Prix Jasmina.

Walter House, who has four horses wintering at the Benning course of the Washington Jockey Club, is in New York for a short visit. He has turned out Coming Coon at the William Jennings farm at Mount Washington, near Baltimore. His other horses were reported as being in the best of condition. He said that the winter has been such an open one in Washington that trainers have been able to go right along with their horses.

There was much contention last year as to the earliest date of thoroughbred foaling in Canada, but the record this year will go to Messrs. Dymont's Brookdale Farm at Barrie, where the first arrival was reported on the first day of the year. It is a fine chestnut colt by imported Red Fox, a son of Flying Fox, and the dam is Depends by the Friar—Devise. This young fellow had a narrow escape from being technically one year old twenty-four hours after he was born, as would have been the case had he arrived on December 31 instead of on New Year's.

JUAREZ RACING IS RESUMED

WEATHER REMAINS CHILLY, BUT PATRONS ARE KEPT WARM WITH FURNACES.

Track Emerges from the Snow in Good Condition

—Three Favorites Among Day's Winners

—A New Jockey.

El Paso, Tex., January 9.—Racing was resumed at Juarez this afternoon. While the sun shone brightly, the weather was crisp and only the regulars came out in force. The bookmakers claimed that they handled plenty of money.

The track itself had been cleared from snow and was in good condition. The infield was covered with a mantle of snow, presenting a pretty sight. The glass enclosed betting ring, with its big furnaces, made it comfortable for patrons of the sport.

Three favorites won during the afternoon. Johnny Macdonald, an apprentice rider, had his first mount this afternoon on Flying, and showed that with a little more experience he may become useful to his employer. He is under contract to Al Austin. The little fellow obeyed his instructions, but was out ridden at the finish by Gross on Little Marchmont. The youngster can ride at eighty-two pounds and his first effort in the saddle was distinctly creditable.

Joe Bloom, of San Francisco, who is a big better in the west, paid his first visit to Juarez today. He intends to spend at least a fortnight here.

W. T. Anderson, who has a big string at Charleston, is here on his return from a business trip to California. He will stop over for a few days and then proceed to Charleston.

Presiding Steward Price was in the stand today, having fully recovered from his recent severe cold.

The youngsters have made their annual bow here, and a better looking lot of fillies than those shown thus far would be hard to find. In Aunt Mamie and Ida Lavinia, winners of the first two juvenile races of the year, Frank D. Weir has a fine looking pair. R. F. Carman has shown a fine looking filly in Water Lily, by Watercross—Almadie, which ran and acted so greenly in her only race that a true line as to her ability cannot be formed.

H. D. BROWN UNWILLING TO YIELD.

Asks Jockey Club Stewards for a Rehearing in Regard to Laurel Stake Values.

New York, January 9.—Only ten members attended the meeting of the Jockey Club today. F. K. Sturgess presided in the absence of August Belmont, and others present were A. H. Morris, F. Gray Griswold, H. T. Oxnard, H. K. Knapp, Andrew Miller, Ral Parr, Jr., E. B. Cassatt, George P. Eustis and P. J. Dwyer. Resolutions of regret upon the death of Mr. Knapp were adopted. They paid a deep tribute to his ardent love for the horse, and declared that his death will leave a void that will not be filled, as his loyalty to the turf was unbounded. No successor to him as vice-chairman was elected.

There was no meeting of the stewards. H. D. Brown was present, but his requested rehearing of the recent decision on the values of the Laurel stakes did not take place. H. K. Knapp has authorized his attorney to demand the full value of the stakes awarded to him by the Jockey Club stewards' decision. Mr. Brown said today that he will not pay. It is said that he will not have the co-operation of his stockholders in an attempt to race without Jockey Club sanction.

Alfred Hennen Morris is now the sole owner of the Barbary Stable. His brother David has withdrawn from racing. Mr. Morris' grandfather, Francis Morris, established the stable more than fifty years ago and took the scars of a jacket as his colors, which have been in the family ever since, and are the oldest colors in America, it is claimed.

Messrs. Knapp, Miller and Hitchcock, the three retiring stewards of the Jockey Club, were re-elected.

At a meeting of the Saratoga Association the following directors were elected: Robert MacLay, Ral Parr, Frank V. Burton, Thomas Hitchcock, Jr., Charles Kohler, Clarence H. Mackay, Andrew Miller, Schuyler L. Parsons, Frederick Von Stade, Charles H. Warring, Harry Payne Whitney, Richard T. Wilson, and W. W. Worden.

Preston M. Birch returned to France a few days ago. He is training horses for William Astor Chandler (mostly the get of the Domino horse Olympian) and George P. Eustis. Mr. Curtis says that the horse Alfred Noble is practically sound. He says Mongolian, now in France, is one of the best looking horses he ever saw.

BALTIMORE RACING DATES APPLIED FOR.

Pimlico Plans to Race from May 2 to May 20—Small Tracks in Line.

Baltimore, Md., January 9.—The Baltimore County Racing Commission held a meeting today to receive applications for racing dates in 1913. The following tracks applied for dates:

Pimlico, May 2 to May 20 (16 days).
Electric Park, May 21 to May 27 (6 days).
Maryland United Hunts, May 27 to May 31 (5 days).

Timonium, September 2 to September 5 (4 days).
The Prospect Park and Gentlemen's Driving Park Associations were not represented and it is not known what action they will take in regard to the racing with the pari-mutuels. There is also some doubt as to whether or not Timonium will conduct a meeting, but that association applied for dates.

There is only one conflict, that between Electric Park and the United Hunts. Electric Park wants to race on May 27 and so does the United Hunts. It is thought that the United Hunts meeting will be deferred one day, beginning on May 28 and continuing through to June 2. The United Hunts will hold only one meeting this year, in the spring. Heretofore the Hunts held a three-days' meeting in the spring and another three days' meeting in the fall.

Electric Park has heretofore raced ten days in the spring, but this year prefers to race six days in the spring and a similar number of days in the fall, preferably following the Havre de Grace meeting in September.

Secretary Dalcourt of the commission read a communication to the representatives of the track stating that the Pimlico management would turn over three machines to the commission, who in turn might let them out to any of the half-mile tracks without charge. It also was stated that "Cy" Cummings, who represented a pari-mutuel betting machine company, would furnish the mutuel machines to the half-mile tracks for a 2 per cent commission of the gross amount bet. The small track promoters probably will get together and make some arrangements whereby they will use the same machines.

GOSSIP FROM THE BLUE GRASS REGION.

Lexington, Ky., January 9.—Messrs. Kinze, Stone & Eugene Rucker of Georgetown today purchased from James B. Haggin, through General Manager C. H. Berryman of Elmendorf Farm, the fifteen-year-old thoroughbred stallion Toddington. Charles W. Moore stated today that his three-year-old White Heather, which died at Charleston Monday, was insured for a fair sum.

A VETERAN OF THE TURF.

It was thirty-two years ago that Mr. Lorillard won the Epsom Derby with Iroquois, and Jacob Pincus, who had much to do with fitting the horse for the race, was a fairly old man then. No wonder that he is now considered truly a veteran of the turf, but he is a kid alongside John Davis, who at present is night watchman at the Brighton Theatre. Davis gave Pincus a start racing. It was in 1854 that Jake had his first mount and Davis was the man to put him up. The horse was Frank Allen. Later young Pincus again rode for Davis, that time on Moldere, a horse by Yorkshire, out of the famous mare Pincus.

Davis loves to talk of those old days of the turf, and when asked yesterday an opinion as to the best horse he had ever trained he thought for a moment and then said that it was a colt named Goodwood that was owned by Julius R. Ward and John R. Wiley of Kentucky. This colt began his racing career in the care of Ben Pryor, who at the time was considered the best handler of thoroughbreds in the country. At the time Pryor was training for Richard Ten Broeck at Natchez, Miss. When the Ten Broeck horses were all sent to England Goodwood was taken along, but for two years he failed to win a race. Later Davis met Mr. Ward at Lexington and was asked if he would train Goodwood. He consented, and beginning in 1855, he swept the country with him, winning all kinds of races.

John Davis was born in 1826, and practically was brought up in a stable, having been associated with horses from the time he was eight years old. He is still a sturdy old man, and he looks far from being the eighty-seven years that will come in June. He wrote a book on the American turf some years ago, but in late years, with the stamping out of racing about New York, he has not enjoyed much of the fruits of his labors.—New York Telegraph.
